Summer Ballet *at* SAB

2024

Summer is an excellent time for young dancers to continue their training, improving by leaps and bounds when their schedules are not as busy with school work. It is also a great time for new dancers to experience the joy of classical ballet and learn if they would like to continue it throughout the year.

Join us for our summer of fun, enrichment and exploration at Staunton Academy of Ballet this Summer 2024!

Ages 3-6 — Little Princess Mini Day Camps

Your little dancer will be immersed in the world of the classic fairy-tale ballet princesses such as Cinderella, Snow White, and Sleeping Beauty through daily ballet class, acting exercises, games, and FUN! A different princess visits the students each day and the mini day camp will end with a small studio performance for parents. This camp has become extremely popular over the last 30 years at SAB and fills up quickly. For ages 3-6.
